**Report of Principal and School Improvement Council**

The vision of LBC School is to deliver quality instruction that fosters high academic achievement and social development that prepares our students for 21st Century careers and lifelong learning in a safe and nurturing environment in collaboration with the home and community. We at LBC Middle School seek to prepare our students for the 21st Century by providing a curriculum rich in Science, Technology, Engineering, Arts, and Mathematics (STEAM). Our goal is to develop students of character and leadership who will become innovators and contributors to society and their community.

Our academic program provides challenging instruction in all subject areas. We had a 100% passing on the English and Algebra EOC exams. Ten of our students were recognized as SC Junior Scholars, and 12 students were Duke TIP recipients. Our Geography Bee winner qualified for the State Geography Bee and LBC students also received writing awards to include the Literary Competition of Augusta's Morris Museum of Art and an MLK Essay Contest. Our students participated in BETA club, academic team, student council, yearbook staff, book club, buddy club, and gardening.

Our sports and fine arts programs offer wonderful opportunities for our students. We offer sports teams including: football, basketball, volleyball, cheerleading, golf and a tennis club. We also have band, strings, and chorus. The band received an "Excellent" at the USC Aiken Concert Festival. Our strings students participated in the All-County Strings and Orchestra Festivals and worked with the USC Columbia Graduate Strings Ensemble. Both the strings and chorus students had the privilege of working with members of the Julliard School of Music. This year we again held the Miss LBC pageant where the students chose platforms which were focused on service and charity. Our students were actively involved in many service activities, including donations to the Valley Empty Stocking Fund and the Salvation Army Canned Food Drive. Our BETA club also held a Coat Drive the homeless students.

This year our teachers continued their staff development in the Common Core State Standards and instructional technology. We continue increase the technology available to our students and teachers. The School Improvement Council and Title I Committee continued to work on innovative ways to increase parental involvement, encourage student attendance, and support instructional activities. Open House, Career and Technology Night, Celebration Night, two Book Fairs, and our year end awards ceremonies were just a few of the ways that we welcomed the community into our school. The support LBC receives from our PTO, parents, community and teachers is invaluable. Working together, we can continue to provide the best educational opportunities for our most valued asset, our children.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>60.2</b>
<b>Overall Grade Conversion</b>	<b>D</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
